- * Not a remote position, although some telecommuting may be allowed after 90 day.
- * No recruiters at this time. Recruiter requests for information will be ignored.
- * Candidates must be eligible to work in the United States. Local candidates strongly preferred.

Salary Based on Experience.

Description: CellTrak Technologies, Inc. is an entrepreneurial company providing mobile solutions for the home health care industry. Our patent-pending software delivers real-time point-of-care activity to a robust administrative portal. Our fast-growing business demands technically proficient candidates seeking to make a real impact. In return, we offer a fun and flexible work environment with a very competitive pay and benefits package.

CellTrak is currently seeking an experienced PHP Web Application Developer to work in its US headquarters.

Responsibilities: You will be part of our team responsible for developing the portal that manages the mobile point-of-care activity.

Required Skills/Experience:

- BS or MS in computer science or equivalent preferred
- Strong experience in Object oriented programming with PHP5
- Strong experience in JavaScript and jQuery (or similar JS framework)
- Solid knowledge with Symfony or any widely used PHP MVC Framework.
- Solid knowledge of MySQL or other relational databases.
- Solid Knowledge of database schema design and query optimization.
- Familiar with unit testing in PHP

Other Skills Desired:

- Ability to compose web-based user interfaces
- Ability to clearly communicate ideas to technical and non-technical resources
- Ability to write technical documents

Benefits: We offer an outstanding benefits package to our employees. In addition to a competitive base salary, we offer:

- Comprehensive healthcare plan (M/D/V)
- Paid vacation
- Stock option bonuses
- 401K plan
- On-the-job training
- Excellent career growth opportunities

At CellTrak we work to maintain the best possible environment for our employees, where people can learn and grow with the company. We strive to provide a collaborative, creative environment where each person feels encouraged to contribute to our processes, decisions, planning and culture.

To Apply:

Reliable candidates with excellent communication and interpersonal skills are encouraged to submit their resume and salary requirements to: careers@celltrak.com
